HD Cleaner

High Foaming Restorative Cleaner & Degreaser

ProvetLogic HD Cleaner is designed to lift and emulsify encrusted soils on hard surfaces for the removal of grease, protein based soils and organic residues from vertical and horizontal surfaces. Its high foaming properties allow **HD Cleaner** to cling to surfaces, providing excellent emulsification.

HD Cleaner may be used on walls, floors, vinyl, canvas, concrete, stucco, roof shingles, ceramic tile and fiberglass.

HD Cleaner is nonflammable, nontoxic and free-rinsing. May be used in a variety of animal and other commercial cleaning operations where high detergency and foaming are desired in cleaning applications.

SPRAY/FOAM APPLICATIONS:	Per Gallon of Water
Heavily soiled floors and surfaces	8 ounces
General cleaning and degreasing	4 ounces
Lightly soiled areas	2 ounces

GENERAL FLOOR & SURFACE CLEANING:
Dilute 2 to 4 ounces per gallon of water.

HEAVY GREASE & OIL

Heavy grease and oil can penetrate both horizontal and vertical surfaces, making it difficult for general cleaners and degreasers to effectively remove the soil.

HD Cleaner is formulated with a high foaming additive that will cling to vertical surfaces allowing the active ingredients to thoroughly penetrate the surface and breakdown grease and oil deposits.

HD Cleaner is formulated to remove the toughest grease and oil buildup on:

- Walls
- Floors
- Concrete
- Stucco
- Vinyl
- Canvas
- Ceramic tile
- Roof shingles
- Roof tiles
- fiberglass
